

Levingston wishes you and your loved ones a Merry Christmas!!

Each year, Levingston Group, LLC commissions local Artist Doug Smith to generate the Artwork for our annual Christmas Cards. This started in 2015 and has continued to the present Christmas. We are amazed at the talent that God has gifted Doug with and for the fact that he gives God all the glory for this tremendous gift. Attached is a summary of the artwork, year by year, produced for our Christmas cards. The original pieces are framed and displayed in our Home Office at 210 Teal Road, if any of you would like to stop by and view them.

A review of Doug's artwork helps me throughout the year and especially at Christmas time remember that Jesus Christ is the reason we celebrate Christmas and that Christmas should remain in my heart each and every day.

For each of you and your loved ones, may you receive the gift of Christmas dwelling in your heart each and every day. May that gift you receive be shared with others.

God's blessings and peace be with you all.

Merry Christmas!
