

## Monday is **VETERANS DAY**.

Please join us in remembering and honoring all of America's veterans, past and current. Our past veterans have served and sacrificed to allow us all the gift of freedom that we have in the United States of America and our current active veterans remain committed to that sacrifice of service, continuing the preservation of our national security as citizens of the United States – one nation under God.

With admiration, we send out a heartfelt **Thank You** to all of our veterans.

Knowing that our liberty is not free, we will always owe a debt of gratitude to you for all that you have given of yourselves for freedom.

Thank you and God Bless you.

*The following is taken from the U.S. Department of Defense website:*

### **Our Forces**

**Army** – *The largest and oldest service in the U.S. military, the Army provides the ground forces that protect the United States.*

**Marine Corps** – *A component of the Department of the Navy, the Marine Corps maintains amphibious and ground units for contingency and combat operations.*

**Navy** – *On, above and below the water, the Navy is America's forward-deployed force and is a major deterrent to aggression around the world.*

**Air Force** – The Air Force provide a rapid, flexible, and lethal air and space capability that can deliver forces anywhere in the work within hours.

**Space Force** – The Space Force organizes, trains, and equips space forces in order to protect U.S. and allied interest in space and to prove space capabilities to the joint force.

**Coast Guard** – The Coast Guard provides law and maritime safety enforcement, marine and environmental protection and military navel support. Part of the Department of Homeland Security during peacetime, the Coast Guard operates under the Navy during times of war.

**National Guard** – Composed of the Army National Guard and Air National Guard, the National Guard is a versatile force, supporting combat missions, domestic emergencies, humanitarian efforts, homeland security operations and more.
